

Enigmatic Events Collective:

Commitment to Accessibility

We recognize as a corporate, for-profit organization that, to a certain extent, some of our events are exclusive and exclusionary. We are aware that not all members of our community have the same resources emotionally, physically, and financially. Our hope with this commitment is to open our events to organizations and members of the public who may have restrictions on their interactions with us. We want to be able to connect with as many people as possible and create a diverse, interesting conversation in our community!

Our Commitment

Therefore, as Enigmatic Events Collective we will:

- Include “pay-what-you-can” and crowd-funded tickets to all our public events.
- Host events in accessible locations that have options for folks with health and mobility restrictions.
- Accessible seating, ramps and elevators will be available at all our events.
- Beverages and snacks will be available at all our events.
- Seek to partner with organizations in our community to bolster our own understandings of teamwork and diversity.
- Ask for help from willing artists and community members when we are hesitant on topics of diversity, representation, and voice.
- Support the work of intrepid artists in the community.

Through these promises, we hope to foster vibrant relationships within Victoria. We are looking forward to creating connections and helping our community come together.
